GREGORY H. WOODS, District Judge:

The Court has received Plaintiff's proposed order to show cause, proposed default judgment, declaration, and memorandum of law. Dkt. Nos. 17-21. The Court will not act on Plaintiff's proposed order to show cause because Plaintiff has not complied with the Court's Individual Rules of Practice in Civil Cases, available at <https://www.nysd.uscourts.gov/hongregory-h-woods>. Among other things, Plaintiff's memorandum of law fails to set forth the elements of each cause of action as to which default judgment is sought, with supporting legal authority; an analysis demonstrating that the facts pleaded in the complaint support the conclusion that each relevant defendant is liable with respect to that cause of action; and the legal authority supporting each category of damages requested. Furthermore, Plaintiff has not submitted a statement of damages.

Plaintiff is directed to follow the procedure set forth in Attachment A to the Court's Individual Rules of Practice in Civil Cases.

SO ORDERED.
